

Volunteer role description

Transport volunteer

Cats Protection is the UK's leading feline welfare charity and our vision is a world where every cat is treated with kindness and an understanding of its needs.

Cats are at the centre of everything we do and our objectives are: homing, neutering and educating people about cats and their care.

We help thousands of cats across the UK each year thanks to our network of dedicated volunteers, employees and supporters.

A bit about this role

If you enjoy driving and would love to use those skills to help our cats, this could be the role for you. Our transport volunteers provide vital assistance to our teams and volunteer groups in the local area by transporting equipment, litter, food – and even cats! They have the essential role of connecting our network of volunteers, sites, vets and supporters.

Without the passionate and committed teams of volunteers across Cats Protection, we wouldn't be able to help the thousands of cats and kittens each year that rely on us for help.

What can you expect to be doing?

- Arranging and transporting equipment, litter and cat food
- Transporting cats to and from vets, foster homes and centres
- Transporting equipment to and from events
- Free text as bullet points

What are the benefits to you and the cats?

You will develop new skills, expand your knowledge and make a significant contribution to improving the lives of cats and kittens by providing transport assistance to local volunteer groups and teams. You will meet new people, make new friends and be part of a dedicated team of volunteers.

We're looking for someone with

- Good organisation and time management skills
- Knowledge of the local community
- A current driver's licence
- Either access to a vehicle or happy to drive one of our Cats Protection vans
- The ability to carry out some heavy lifting

Time expectation

Our transport volunteers usually spend two to four hours per week in this role, which is flexible and can be shared by more than one volunteer if needed.

Support, guidance and keeping you safe

At Cats Protection we believe our volunteers should be happy and confident in their roles. We provide support and guidance from our National Cat Centre and through our regional and local volunteer groups and teams. We offer engaging online and face-to-face training, expenses and have policies and processes to help volunteers get the most out of their time with us.

The wellbeing of our people is important and at Cats Protection we are committed to safeguarding children, adults at risk and all those that we come into contact with as part of our activities.

Thank you for joining us and sharing in this commitment and for everything you will do during your time with Cats Protection.
