

## **Volunteer role description**

### **Volunteer shop 'bookworm'**

Cats Protection is the UK's leading feline welfare charity and our vision is a world where every cat is treated with kindness and an understanding of its needs.

Cats are at the centre of everything we do and our objectives are: homing, neutering and educating people about cats and their care.

We help thousands of cats across the UK each year thanks to our network of dedicated volunteers, staff and supporters.

### **A bit about this role**

Our Cats Protection shops play a key part in raising the funds needed to help thousands of cats and kittens each year. Our retail 'bookworms' help raise the funds needed for us to help cats and kittens in need – whether they have a passion for books, cats or both! They identify and price saleable books from donated stock and the money raised goes directly to helping our feline friends. Making a difference can mean raising as little as 18p, which is enough to feed a cat in our care for a day.

### **What can you expect to be doing?**

- Identifying saleable stock and valuing books from donated stock
- Sorting and pricing books
- Creating eye-catching displays
- Free text as bullet points

### **What are the benefits to you and the cats?**

You will develop new skills, expand your knowledge and make a significant contribution to improving the lives of cats and kittens by helping raise funds through the sale of donated books. You will also meet new people, make new friends and be part of a dedicated team of volunteers.

### **We're looking for someone with**

- Good organisational skills
- Attention to detail
- Knowledge or interest in books
- Willingness to be part of a team

### **Time expectation**

Our 'bookworm' volunteers usually spend 1 to 2 hours per week in this role, which is flexible and can be shared by more than one volunteer if needed.

### **Additional information**

At Cats Protection we believe our volunteers should be happy and confident in their roles. To make sure this is the case, we provide support and guidance both remotely from our National Cat Centre and face to face through our regional and local volunteer groups and teams. We also offer varied online and face to face training and have wide-ranging policies covering all aspects of volunteering. We hope the support we provide will ensure our volunteers have a great experience with Cats Protection.
